If students use the class time provided, they should have no homework in these classes.

History of Sports in America

WWII through Film & Lit

Criminology

### **Light Homework Classes**

If students use class time, they will only have a light load of homework in these classes. Estimated 15-20 minutes 2-3 nights a week plus study time for quizzes or tests.

Sociology

World Geography

Civics

Ethnic Studies

### **Moderate Homework Classes**

If students use class time, they will only have a light load of homework in these classes. Estimated 20-30 minutes 2-3 nights a week plus study time for quizzes or tests.

Psychology

Contemporary World History

U.S. History

### **AP Classes**

Students should expect to have consistent homework in AP Classes. Teachers put care into making sure the homework is limited to relative work and material. Homework mainly consists of reading chapters and taking notes, studying vocabulary, and studying for quizzes and tests. Homework time will vary by individual reading pace. A good estimate is 30-45 minutes 4-5 days a week.

AP European History

AP Human Geography

AP Micro / Macro Economics

AP Psychology

AP U.S. History

AP U.S. & Comparative Gov't

AP World History
