JOB TIPS:

If applying to Fred Meyer, after your on-line application be sure to stop by the Courtesy Desk each week to “Check on the status of my application.” That is how the hiring manager determines who to call for an interview.

When completing on-line applications be sure to use a computer/laptop and not your phone! Applications done on phones do not always upload.

Get your food handlers permit on-line for just \$10! <https://www.foodworkercard.wa.gov/language.html>

STOP in the Career Center for help with resumes and job interview tips.
